BACKGROUND AND DISCUSSION

California Government Code Section 25250 addresses the requirements of the County to have an examination of the financial statements in accordance with generally accepted auditing standards. The Comprehensive Annual Financial Report (CAFR) presented to you today includes an unmodified (clean) opinion from the County's external auditors Brown Armstrong Accountancy Corporation.

The CAFR has five components as follows: (1) the Introductory Section, including the Transmittal Letter signed by Auditor-Controller, Tracy Schulze, and County Executive Officer, Minh Tran, (2) the Financial Section, including the Audit Opinion and Management's Discussion and Analysis (MD&A), (3) the required Basic Financial Statements Section and note disclosures, (4) the Supplementary Information Section on non-major funds, enterprise funds and internal service funds, and (5) the Statistical Section. The CAFR is an excellent resource for County financial and statistical information. On December 23, 2019, the Auditor-Controller submitted the County's CAFR to the Government Finance Officers Association (GFOA) to participate in the Certificate of Achievement for Excellence In Financial Reporting Program. Each CAFR submitted to GFOA for consideration is reviewed and rated on various criteria within 17 different areas of the report. The County has received the GFOA Certificate of Achievement for Excellence in Financial Reporting in each of the past fourteen years. Due to the size of the report, the CAFR will be made available to the public through the County's website.

California Government Code Section 12410.5 and Federal Code of Regulations 2 CFR 200.512 address the requirement of the County to prepare and file a Single Audit Report - Schedule of Expenditures of Federal Awards (SEFA) with the State Controller and Federal Audit Clearinghouse. The Single Audit is required for any governmental or non-profit entity that spends \$750,000 of Federal funding in a single fiscal year, and comprises of additional testing and procedures to review the compliance and accurate reporting of each expenditure. During the year, the County had expenditures of approximately \$39.7 million in Federal cash awards (including pass-throughs to sub-recipients), continued tracking \$10.2 million in Federal loan awards, and distributed \$1.4 million in non-cash assistance (nutrition assistance vouchers), for a total of approximately \$51.3 million in Federal funding. The audit report before you today has an unmodified (clean) opinion from the County's external auditors Brown Armstrong Accountancy Corporation.

The Single Audit Report has been prepared based on Federal guidelines and must be completed and accepted by the Board of Supervisors no later than March 31, 2020. This report will also be made available to the public through the County's website.
