### **EXECUTIVE SUMMARY**

In 1974, President Gerald Ford signed the first National Emergency Medical Services Week to draw attention to the sacrifice, dedication and commitment of Emergency Medical Personnel. Today's proclamation will proclaim the week of May 19-25, 2019 as Emergency Medical Services Week in Napa County and encourage the community to observe this week with appropriate programs, ceremonies and activities.

### **FISCAL IMPACT**

Is there a Fiscal Impact?                      No

### **ENVIRONMENTAL IMPACT**

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

**BACKGROUND AND DISCUSSION**

Emergency Medical Services is a vital public service, and the members of the Emergency Medical Services teams of Napa County are ready to provide life-saving care to those in need 24 hours a day, seven days a week. Access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury. It is appropriate to recognize the value and accomplishments of the emergency medical services providers by designating Emergency Medical Services Week in Napa County.
