BACKGROUND AND DISCUSSION

The California Arts Council (CAC) and the California State Legislature established the State-Local Partnership Program (SLPP), which is designed to encourage cultural development at the local level through partnerships between CAC and designated local arts agencies of each county. The aim of the partnership is to promote and preserve the arts of all cultures in order to enrich the quality of life for all Californians through grant funding of cooperative activities and information exchanges.

The Arts Council of Napa Valley (ACNV) is a non-profit corporation established for the purpose of promoting and providing arts and cultural programs in Napa County. In the past, the Board of Supervisors designated ACNV as the County's local arts agency in order to partner with CAC and apply for, as well as receive, grant funding for cultural development programs.

Today's action will designate ACNV as the County's local art agency partner to CAC and authorize participation in SLPP for Fiscal Year 2019-20. In addition, ACNV will be authorized to prepare an application for program funding, if grant funding becomes available, and present it to the County Executive Officer for approval prior to submission to SLPP.
