RE: APPLICATION CLOSURE/ABANDONMENT
Split Existing Agricultural Erosion Control Plan (ECPA) File # P21-00286
Circle S/R: APN 032-160-084

Dear Jim,

The County received you email dated December 2, 2021 requesting to formally withdraw the ECP Split application for Circle S/R Ranch submitted on October 21, 2021. Please let this letter serve of our formal confirmation that the application has been withdrawn. As such, the entire 1,594 acre holding will remain under the existing ECPA (#P06-01508).

Any unused portions of the application fee will be returned to you, within approximately 14 days, along with a billing summary for your records.

You may file a new application package at any time; however, a new application package will need to include the information listed in the County's application review letter, dated November 18, 2021. Existing information can be transferred to a new application, but will be subject to the County's customary completeness review process.

Upon receipt and review of this letter please feel free to contact me at (707) 253-4437 or dana.morrison@countyofnapa.org with any questions or to discuss this matter further.

Respectfully,

Dana Morrison
Planner III
